The LMCHD Board Room is a public facility intended for the use and convenience of residents, Board members and staff of the District. As such, the building must be maintained as a safe, clean and functional facility at all times. The Board Room is first and foremost a place of business, and the District must mandate the building to serve this full-time business function. In the interest of maintaining building security, the following rental and use policy is in effect.

There shall be no charges or fees for use of the Board Room by providers of health classes, screenings, support groups, or other health-related activities, and non-profit groups may schedule business meetings without charge. The priority of usage will be: (1) district activities; (2) health center activities; (3) health-related non-profit activities; (4) non-profit business meetings; and (5) all others, which may be subject to usage fees and can include rental fees, cleaning fee and a security deposit. The charging of fees will be at the discretion of the Board of Directors.

Any group not falling within the above categories is asked to contact the District.

Service Fees (if applicable):

Security Deposit: "non health related" agencies and private groups: \$150 (refundable).

The completed Board Room Rental and Use Application must be returned to the District Office no later than five (5) working days prior to the scheduled event. The District reserves the right to bill additional charges, damages or staff time associated with the use of the Board Room by outside organizations.
