

NOTICE: It has come to our attention that individuals outside of our healthcare district are impersonating our hiring manager. They are conducting online interviews and asking applicants to send money or set up a payroll direct deposit. This is not how we conduct our hiring process. Don't become a victim of this scam! Discontinue any online interview if you are asked to send or share personal or financial information.

EXAMPLE

Dear Candidate,

We have received your Resume sent by you which has been shortlisted by the CEO of Los Medanos Community Hospital.. Hence, we hereby send you below our official applicant online Interview for you to complete and send back to us via email, alongside with a copy of your Identification. Your application will be evaluated on the basis of the answers from the Online Interview alongside your Resume and you will surely be notified upon review of your whole submitted information, our salary and Perks are based on our candidates qualifications, and we assure all our candidates that the entitlements from our office are very attractive and suitable for all post. Contact Bobbi Palmer, CEO, Los Medanos Hospital, 2311 Loveridge Road, Pittsburg, CA 94565 for more information.

Regards:
